ACADEMIC SESSION 2024-25

ANNUAL ACADEMIC CALENDAR

Department aims to provide a conducive environment in the schools for the 'learning community', to acquire requisite skills and achieve academic excellence along with holistic development. The schools are committed to preparing 'the future of our nation' to be conscientious and responsible citizens with values and for creating an environment to innovate for facing the challenges of the future.

The calendar of curricular and co-curricular activities in the Government schools of UT Chandigarh have been prepared to provide a framework for organizing and managing the academic year, ensuring students, teachers, and parents are all aware of the important dates and events. We hope it will help to ensure that the instructional time is maximized and the students have adequate time for finishing the assigned tasks with deadlines inculcating the importance of professional standards.

The school assembly is an integral part of the curriculum in Government schools of UT Chandigarh. It helps in inculcating discipline among students, a sense of belongingness, instills pride and social skills. It allows the students and teachers to unite together by celebrating festivals and occasions and interact bringing forward many talents. The schools during the year make best use of these assemblies so that every day in school is fun and educational for them. The planned regular PTA meets and parent-teacher interactions strengthen the learning process by involving them.

This calendar will facilitate the functioning in the Schools and allow them to plan an exciting year ahead.
